

Calvin Community Church

Loving God, Loving People

Calvin Community Church is pleased to make our facilities available for community use.

We have a variety of facilities including a large auditorium that seats 480 people, fully equipped with sound and lighting. We also have trained technicians who are available for your function.

Our foyer is a wonderful area to entertain, and the commercial grade kitchen is well set-out with all the equipment needed to cater for your event.

Alcohol

Calvin Community Church is an alcohol-free site.

Cleaning

Vacuum cleaners are found in the cupboard directly to the left of the auditorium doors, and if necessary, more cleaning equipment is in the cupboard down the corridor.

All rooms must be left as found otherwise a cleaning charge of \$60.00 will be incurred.

Auditorium

Foyer
